

Kids Night with Microscopes

March 6th
Friday 6-8 PM

University of Oklahoma
Thurman J. White Forum
Conference center
1704 Asp Avenue, Norman
OK, 73019

ARE YOU INTERESTED IN:

- Scan your own sample by a Scanning Electron Microscope? **Sample size <math>< 2\text{cm}^3</math>**
- Capture a small object or your friend as a 3D model?
- Create lightning and rainbow by yourself?
- Make your own Nanoparticles?
- Observe the structural coloration in butterfly and beetles?
- Design a laser light maze and more fun and educational activities!

Structure Sensor 3D Scanner
