

Kids Night with Microscopes

April 4th
Thursday 6-8 PM

At "The Well" - Cleveland
County Wellness Center
210 S. James Garner Ave,
Norman OK 73069

Pictures from previous Kids Night with Microscopes

- Scan your own sample by a Scanning Electron Microscope! (2 cm^3)
- Capture a small object or your friend as a 3D model
- Create lightning and rainbow by yourself
- Make your own nanoparticles
- Observe the structural coloration in butterfly and beetles
- Design a laser light maze
- and more free and fun and educational activities!

See the 2023 Ugly Bug contest winners and get a poster!
